

**DFE 2020:**

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activities can also have wider benefits for pupils, and schools, improving behaviour as well as enhancing academic achievement.

Primary School Sports Premium Awarded			
Total Number of Pupils on Roll (5 plus)		193 who are five and above	
Lump Sum		£16,000	
Amount received per pupil (£10 x number on roll)		£1,930

Record of spending by item/project			
Item/Project:	Cost:	Objectives:	Impact over academic year See impact statement end of year
Use SH Active provider to deliver enhanced PE provision for this academic year and to develop teacher CPD	£17,500	1,2,3 and 4	
A range of afterschool and lunchtime clubs provided by SH Active	Included in the above	1,3,4	
Develop girls teams in a range of sports	Included in the above	3,4,5	
Resources needed to support PE within school and lunchtime activities	£500	1,4 and 5	
Friday activity club	£720	1,2,3,4,5	
Sustainability of spending			
As a school we feel that the work teachers have been doing with sports coaches over a number of years will allow for sustainability especially with regards to the delivery of PE. After school clubs are on the whole run by additional staff in school and the couple that are supplied by coaches could be supplemented fairly easily if and when required.			
Summary			
Total School Sports Premium Received			£17,930
Total Expenditure			£18,720
